Football match

We are arranging a parent and carer football match on Sunday 9th September at 2:00pm at Bromsgrove South School. We currently have 15 players for upstairs team and 12 for downstairs. I could still do with a couple more players for downstairs team including a goalkeeper. We could also do with 2 people to run the line for us and also could do with one more kit for the downstairs team. If anyone is interested in playing or helping just let one of us know. Could you also let Craig or Charlotte know positions you would like to play so we can start to get an idea in order to make people happy on the day.

Staff News

Kealie- as some of you may know Kealie will be leaving us to pursue a career in residential support work, we wish Kealie all the luck in her future and thank her for her great work over the last 4 years.

Brydie- will be increasing her hours to do 3 full days Monday, Tuesday and Wednesday and picking up a 8:30- 5:30 shift on a Thursday. This will help with staffing within parrots and hopefully help with collection times being so busy.

Family members

Please could you let us know when other family members will be collecting. This helps us to inform staff members when people we may not know are coming on site which helps with our safeguarding

New Roof

Over the last few weeks we have been having some work done within the Octopus classroom. The roof was very dated and due to it being a conservatory roof was cold in the winter, we have now put a new roof on which will hopefully solve this problem. We still need to paint the ceiling and finish off a few bits but we can already see a difference in there.

Next improvements

We are now looking to change the fence at the front of nursery which is starting to look a little tatty. This will be done over the next month or so and will hopefully done within one weekend to avoid any parking issues. This will also help with the new floor in the babies garden.

Graduation

Friday 27th July we said goodbye to 23 of our children who are going off to school. We had an amazing day filled with tears, happiness, sorrow and joy. We celebrated with party food, bouncy castles and lots of laughter. So thank you to all the staff, children and families that made this such a massive success. Good luck in your new schools and don't forget to come back and visit us. Please can you send us a picture of your child in their school uniform.

Moo Music

Moo music will start with us during September. After a successful trial session, we will be starting our music sessions for the babies and dolphins on a Friday and the parrots on a Wednesday. Sally is fully DBS checked and will offer a range of activities to entertain and teach the children all about music.

Employee of the month

Congratulations to Donna who has won employee of the month for July. Donna received 7 votes from staff members for her activity ideas and transition within to dolphins. We received lots of really nice votes this month so thank you very much to those who voted it really means a lot to the staff to hear these lovely comments.

Feedback

Due to some feedback from our last questionnaire you expressed a love of loving at pictures of activities your children have been taking part in so going forward we will be sending a termly email with some of these photos the first one of these will be at the end of August.

Parent Workshop

On Wednesday 29th August we will be holding our latest parent workshop the theme of which has been chosen by Kealie as it is her last one and she has chosen sensory touch and texture play. These workshops offer parents , carers, grandparents, uncles or aunties to come in and play with their children and see what a day at nursery is really like. This day will be full of messy, touchy feely and sensory play. We hope you can join us as it would be great to see you all. This will be taking place between 9:30 and 11:30.

And Finally….

We could use some bits and bobs in order to help us complete some activities.

- Tubes
- Keys
- Feathers
- Funnels
- Rucksacks
- Adult socks
- Water toys
