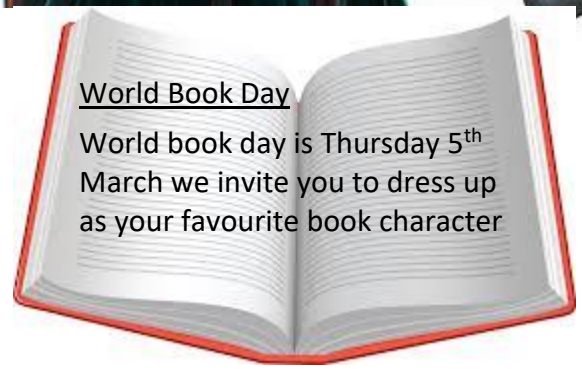
KLT's Feb/ March Newsletter



World Book Day

World book day is Thursday 5th March we invite you to dress up as your favourite book character

New contracts and Christmas days.

As you are now aware we have taken the decision to close Christmas eve and new years eve due to staff being with their family I will be adjusting your bills from April to incorporate the new fees and the 2 Thursdays we will be closed. Any questions you may have do not hesitate to come in and see me.

Noodle Training

We have joined up with a new training provider called Noodle Now this is an online learning portal where staff can carry out lots of different training courses from safeguarding to teaching and learning courses. The staff are encouraged to carry out courses regularly as part of their personal development and we hope that you will see the benefits of these courses spread into your child's day at nursery.

New students

We will be having a few students visit nursery over the next month their times of attendance differ dependent upon their requirements, but we have 2 attending on a Friday afternoon and another one who's times are still to be confirmed. Please be assured that students are not left unattended and do not carry out personal care, all students have a DBS carried out and have had an induction of our expectations while here. If you have any questions or concerns do not hesitate in coming and talking them through.

Homework from February

A massive thank you to all of you who completed homework last month we had some amazing volcanoes and masks the children have loved sharing these during together time. Thank you for supporting this homework is a great way to link home life and nursery life and to reinforce the things we are learning at nursery.

Employee of the month

Congratulations to Courtney for winning employee of the month for January, please get your votes in for February as I will be drawing it next week.

Dates for the diary

25th Feb- parents evening

2nd March- parents evening

5th March- world book day

9th March Emily C week off

A surprise for Kirsty

As you all know Kirsty has now left on maternity leave. Ever since we have opened our nursery Kirsty has always wanted a family tree with photos of all the children we have ever cared for and its something she always wished we had started. I would love to complete this while she is on maternity leave as a little something for when she returns I am in the very early stages of planning but would love your support of this I will be printing photos off Capture to place on the wall, however we only started capture in 2016 if you have contact with anybody who attended KLT's before this time please could you ask them to get in touch and send a photo in. if you would not like your child's photo on the wall please let me know and we can have handprints or initials. If you have any ideas or could offer any help to this project, I would love to hear from you. P.S Kirsty still has access to all of KLT's emails so please try not to talk about this through email. In my head it will consist of a big family tree half way up the stairs that we will add photos to each year.

Topics and homework for March

Babies topic is Fairy tales and Spring and homework is to decorate a flower.

Dolphins topic is spring, chemistry and volcanoes is to create a spring animal or a volcano

Parrots topic is weather and as part of this our homework is to bring a teddy bear to share in bear hunts that we will be carrying out throughout the month.

First aid course

We now have around 9 people that have expressed an interest in carrying out some basic first aid classes at nursery I have been in touch with our first aid provider and he has come up with 2 suggestions

1)3-hour course, basic child - Airway Management, Choking, Bleeding / Shock, CPR & Recovery Position

2) 2 x 3hr sessions for Adult & Child which took on all above and asthma diabetes hearts attacks, strokes etc

He is offering these with certificates and manual for £25/£35 I am willing to offset some of this cost as I understand this is a lot please let me know if you wish to go ahead and which option you would prefer and I will start looking at some dates.
